OAKHILL

PROVISIONAL RESULTS

Well done to everyone who took part at Oakhill. Once again we had around 310 runners competing, matching the first fixture at Wells.

Big appologies to all those who arrived late and either had little time to prepare, or had to join in with the last race or the day. If you've found your way to these results then you should look-up the event details on the web-page to confirm the timings. For advance warning, the JANUARY 30TH fixture will also START at 3.45PM due to lack of daylight.

The results came through fairly clean, except for the large number of "NS" runners in the upper boys race. These are either lower school boys or upper school girls (mostly from Hugh Sexey's). I may have a query on the winner of the lower school boys race, as the original result seems to have been reversed by the funnel judges - I will speak to them and re-confirm the correct result.

Can you please check through the results and let me have any corrections ASAP so that I can finalise them for next weeks Journal.

Many thanks,

Ian Humphreys
